

# Extruded Magnetic Strips

## SUPERIOR MAGNETIC QUALITY

MagTech's own in-house recipe is formulated to have greater magnetic strength and better flexibility than the competition. Custom profiles are manufactured with high-quality raw materials, using a unique state-of-the-art magnetization process that provides superior holding power.

Compound, adhesive and magnetization options are available for customization of a wide variety of applications.

### APPLICATIONS:

Menu Boards, Printing, Advertising Displays, Interchangeable Signs, POP, Tradeshow Displays, Fastening Devices, Office and Warehouse Labeling, Refrigeration Gaskets, Shower Gaskets and more!

# Extruded Magnetic Strips

## PRODUCT SPECIFICATIONS

### Thickness Range

Range from: .060" to .375" (1.524mm to 9.525mm)

### Width Range

0.25" to 3" (6.35mm to 76.2mm)

Formulated to have greater magnetic strength and more flexibility than other thermoplastic materials of comparable flexibility. Magnet strips have custom ID grooves for easy installation. Magnetization options available allows us to customize your project.

## ASK ABOUT OUR FREIGHT SAVER PACK

The most flexible magnet on the market.

### WEATHERABILITY

Possesses great stability in all environments up to 175° F. Excellent aging properties during factory storage. Resists light, ozone and corrosion.

### SHIPPING AND PACKAGING

MagTech works directly with trucking companies to ship your product using the most economical shipping method possible. We can package in rolls, bulk on skids, cut blanks in boxes or use personalized packaging for private labeling. Most orders ship within 24 hours.

### CUSTOMER SERVICE

We pride ourselves on excellent customer service. We offer genuine, customer-oriented solutions that beat the competition. Rely on MagTech for expert service, convertibility and speed.
