

Neodymium

Magnets

Magnets available in all shapes, sizes and coatings!

Neo Magnets are the strongest magnets in the world – the higher the grade, the stronger the pull force of the magnet.

MagTech carries N35 - N52 neodymium magnets in a comprehensive line of stock sizes. Additionally, we can produce magnets to your specifications with superior corrosion resistance coatings.

APPLICATIONS:

Glass or White Board Magnets, Billboard Magnets, Electronics, Industrial, Research and Engineering Applications.

Shower Door Latches, Fasteners, Quick Release, Refrigerator, Art Projects

Great for the home and office.

Neodymium

Magnets

If you've never handled neodymium magnets before, you will be amazed at their strength. Neodymium magnets are more than 10x stronger than the strongest ceramic magnets. Ask us how Neodymium magnets can hold your project up more than likely using a much smaller magnet and have greater holding force. Available in all shapes, sizes and coatings.

		Most Popular Coatings Call for more
N35	12,200 Gauss	 Ni-Cu-Ni
N38	12,600 Gauss	 Black Ni
N42	13,300 Gauss	 Nano
N45	13,700 Gauss	 Cu
N48	14,100 Gauss	 Zn+Cu
N52	14,800 Gauss	 Sn
		 Au
		 Black Epoxy
		 Nylon
		 No Treatment

The potential uses for strong neodymium magnets are unlimited!

WEATHERABILITY

Possesses great stability in all environments up to 175° F. Excellent aging properties during factory storage. Resists light, ozone and corrosion.

SHIPPING AND PACKAGING

MagTech works directly with trucking companies to ship your product using the most economical shipping method possible. We can package in rolls, bulk on skids, cut blanks in boxes or use personalized packaging for private labeling. Most orders ship within 24 hours. Custom orders have industry-leading lead times.

CUSTOMER SERVICE

We pride ourselves on excellent customer service. We offer genuine, customer-oriented solutions that beat the competition. Rely on MagTech for expert service, convertibility and speed.
