Magnetic Tape

Magnets available in all shapes, sizes and adhesives!

SUPERIOR MAGNETIC QUALITY

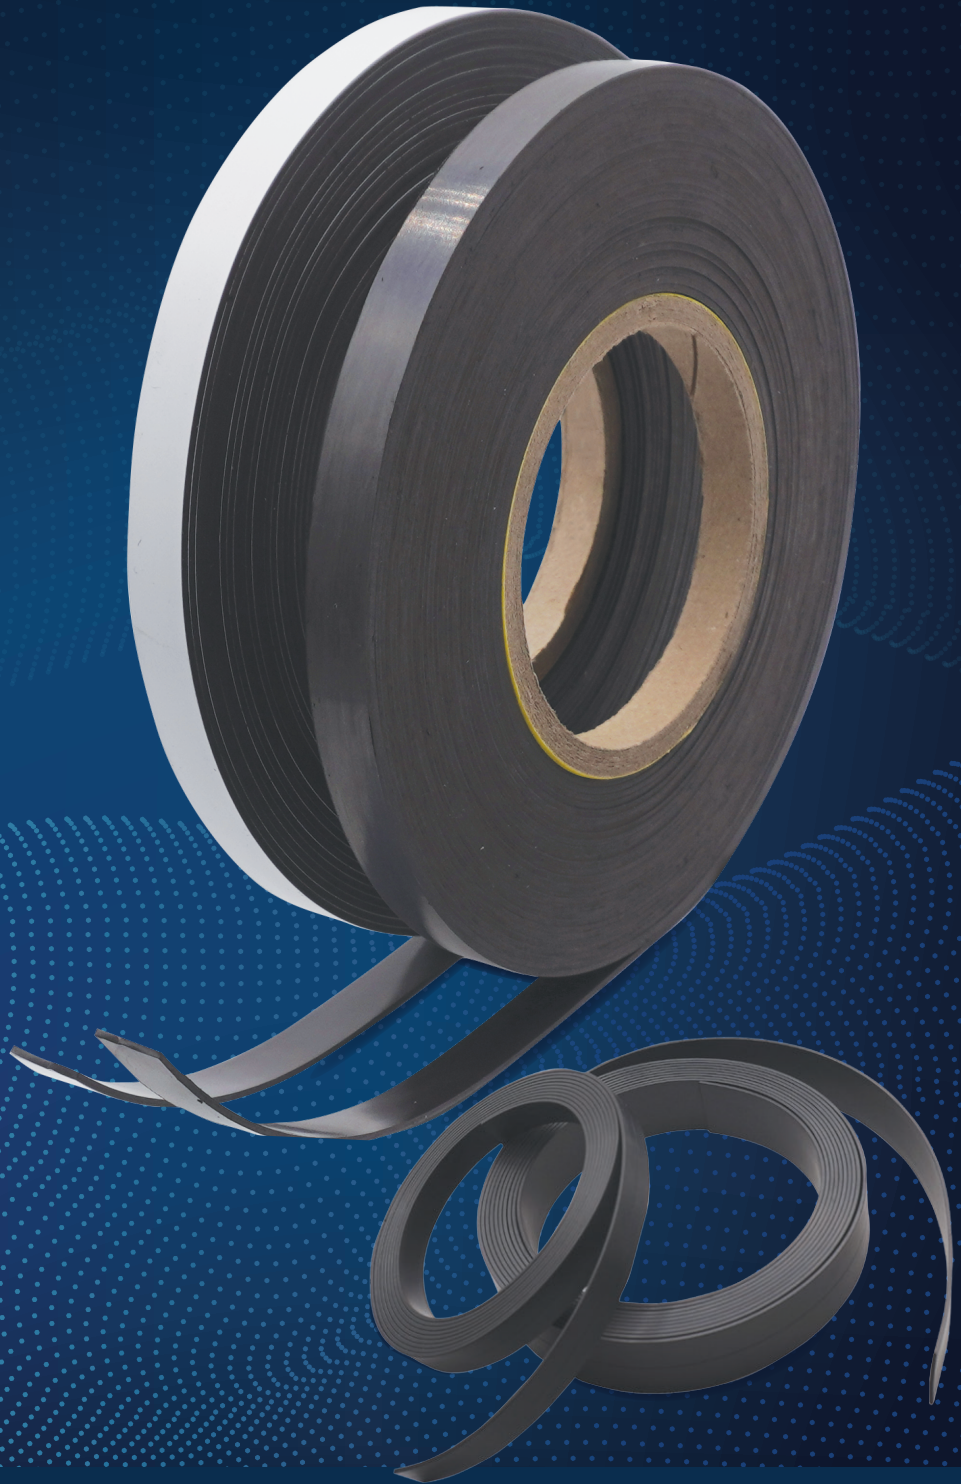

MagTech's own in-house recipe is formulated to have greater magnetic strength and better flexibility than the competition. Custom profiles are manufactured with high-quality raw materials, using a unique state-of-the-art magnetization process that provides superior holding power.

Compound, adhesive and magnetization options are available for customization of a wide variety of applications.

APPLICATIONS:

Billboard Magnets, Graphic Displays,
Electronics, Industrial, Research
and Engineering Applications,
Art Projects

Great for the home and office.

Neodymium Magnets

Magnets available in all shapes, sizes, coatings, adhesives and assemblies!

If you've never handled neodymium magnets before, you will be amazed at their strength. Neodymium magnets are more than 10x stronger than the strongest ceramic magnets.

MagTech carries N35-N52 neodymium magnets in a comprehensive line of stock options. Additionally, we can produce magnets to your specifications all with superior corrosion resistance coatings.

Ask us how Neodymium magnets can hold your project up more than likely using a much smaller magnet and have greater holding force.

Compound and magnetization options are available for customization of a wide variety of applications.

APPLICATIONS:

Glass or White Board Magnets, Billboard Magnets, Graphic Displays, Electronics, Industrial, Research and Engineering Applications, Art Projects

N35	12,200 Gauss	Most Popular Coatings Call for more  Ni-Cu-Ni  Black Ni  Nano  Cu  Zn+Cu  Sn  Au  Black Epoxy  Nylon  No Treatment
N38	12,600 Gauss	
N42	13,300 Gauss	
N45	13,700 Gauss	
N48	14,100 Gauss	
N52	14,800 Gauss	

What's holding your project up?

WEATHERABILITY

Possesses great stability in all environments up to 175° F. Excellent aging properties during factory storage. Resists light, ozone and corrosion.

SHIPPING AND PACKAGING

MagTech works directly with trucking companies to ship your product using the most economical shipping method possible. We can package in rolls, bulk on skids, cut blanks in boxes or use personalized packaging for private labeling. Most orders ship within 24 hours. Custom orders have industry-leading lead times.

CUSTOMER SERVICE

We pride ourselves on excellent customer service. We offer genuine, customer-oriented solutions that beat the competition. Rely on MagTech for expert service, convertibility and speed.
